A family-run winery, Caraccioli Cellars takes pride in developing wines expressive of vintage and made entirely from the Santa Lucia Highlands Appellation.

Caraccioli Cellars focuses on producing quality wines from Pinot Noir & Chardonnay. The core of our production lays in the patient development of our vintage Brut Cuvée and Brut Rosé sparkling wines. As of 2015, we have transitioned to using grapes exclusively from our estate Escolle Vineyard.

Internationally renowned winemaker Michel Salgues founded the techniques that form the foundation of our winemaking practices. After over a decade at the helm of Caraccioli Cellars, Salgues passed away in 2017. His legacy lives on through the family's vision.

Due to our boutique production availability is extremely limited.
